MITM Feature Sponsorships

Sinatra at Six is another of our most popular features. They're lining up at 6:00 am and 6:00 pm Pacific to hear, between the two features, a sextet of Sinatra. It's special because it's not the same old songs you hear everywhere else, (not that you can hear Frank on many radio stations today) but it's a combination of the familiar and the rare, the hits and the hard to find.

Sponsorship of Sinatra at Six includes open and close "Billboards," and a third mention within each of the two segments. Sponsors are also included in 25 shared "Produced" promos and 25 "Live Promos" weekly. Sponsors will also receive a 468x60 banner rotating throughout the website as well as a 728x90 leaderboard on the heavily visited Sinatra at Six page. This page will feature a listing of each day's Sinatra at Six songs as well as hosting the MartinInTheMorning.com All Things Sinatra Forum where discussions, led by rabid and well-informed Sinatra-philes, will include everything from the Man and his Music to, well, all things Sinatra.
